shadows, you are called Tarnished. You will wage wars, assist kings with gifts, and assist farmers with crops. There are good things and there are bad things, and you have a duty to lead your people and guide them toward enlightenment. It is in this world you have a chance at living normally.

Wait... Don't wake the Elden Gods. Welcome to the Lands Between. You are now Tarnished, reborn into the world of the Elden, which includes Elden Gods and the worshippers of the Gods that have been blinded by dark magic. The popular fantasy epic based on the novels by Kazuya Minegishi begins with Tarnished...

Mon, 14 Sep 2019 16:26:55 +0000>The Elden Ring screenshots are already out. You can make your first impression about the game by watching their pre-alpha gameplay video. This is a fantasy action RPG that is like the Legend of Zelda meets Skyrim. You would be a half-God amongst mortals. You

Review by someone who bought the game -----  
----- 2 out of 5 stars Vergil The game is good, and pretty short, but I ended up quitting playing it, it's sad because the game is so fun. I would recommend this game if you love fantasy, you might want to try out Final Fantasy 14 :)

----- 4.5 out of 5 stars Dante88 A new fantasy game, this one is pretty good. I love the fact that it has a large world, a lot of content (100 hours), and a lot of quests. It's basically like FFXI, but in a 3D Fantasy World. I did however, run into a problem, every time I went to town and would try to talk to my guild mate, everything would be dead. I would get the message, "You can't chat with players from other servers" Would not allow me to speak to him until I had either ran out of combat (or by using repair items) out of town, or the server had been online for 5 minutes. I tried this with all my guild members, but it was useless. Will not be buying this game again, unless they fix this silly error. Overall, I would rate this game a 4.5 out of 5 stars.

----- This is a fair review. I didn't mention the chat problem in my review, but that's because the problem hasn't happened to me. For people having trouble with it, try contacting the feedback department of EA.

----- Sparked by the insightful thoughts of @Marianna Bess, "I would recommend this game if you love fantasy, you might want to try out Final Fantasy 14 :) ", I decided to test out another game that was mentioned to me by @RelicDoron. I have mixed feelings about this game. There are good points and bad points. It starts off with a pretty massive world. The good thing is that you can explore from the beginning of the game and explore everything. I also like that for the first 100 hours (or so) bff6bb2d33
