Home Driver Downloads Forum DriversÂ .Papier-mâché is a marvelous craft. It's a very old craft. I've always had an interest in it. My home studio in Eugene, Oregon is filled with beautiful papers. I love the idea that a large book can be so quickly transformed into a work of art. And there are different types of papier-mâché. There's animal papier-mâché, vegetable papier-mâché, and in this case, I've made a paper flower. Yup, Papier-mâché is made from paper. A translucent paper is poured into moulds, the shaping process begins, and then you pull the petals off in a starburst pattern. It's like making polymer clay. What do you see as your strengths as a photographer? I love taking photographs of the world around me. I love finding characters and seeing
