Caitlyn's show had nearly 14 million viewers, compared to about 7 million for KUWTK. A KUWTK special on

April 3 attracted 10.5 million viewers. The three-night premiere is up 22% compared to last season's premiere of I Am Cait. Season 9's opener fell 11% from the premiere of Season 8. Both new seasons premiered on E!, a sister network to NBC. E! has averaged 2.7 million viewers for the series, which often runs a full-hour. "In an era of peak TV, it's so exciting to see audiences around the country tuning into E! for the latest season of the greatest franchise in TV history — and continuing to enjoy the series," said president of E! Entertainment Jennifer Salke. "These first three episodes delivered a strong start to a very promising season." KUWTK's Season 9 premiere was the most watched of the season and drew 9.8 million viewers — a 21% jump from the Season 8 premiere. The Kardashians are the most-watched scripted series on E! The show is averaging 5.9 million viewers.Q: Is there a way to know if the filesystem is ext3 or ext4? is there a command to know if the filesystem is ext3 or ext4 or something different?
